PROGRAMAS

A New Social Contract for Teams

Achieve breakthrough team performance with a new social contract that emphasizes candor, collaboration, accountability, and continual improvement. In this inspiring and informative keynote, you'll discover practices that help exceptional teams escape outdated behaviors to realize lasting change.

Competing in a New World of Work

The pandemic forced us to shed antiquated ways of doing business and make bold leaps into the future of work. In this keynote, Keith uncovers the emerging best practices of thousands of c-suite executives on how to remain competitive and impactful in a post-pandemic world. You'll leave inspired and ready to catapult your organization forward, embrace new realities, and discover new frontiers. [Video](#)

8 Ways You're Doing Hybrid Work Wrong

As we move into a new paradigm of work post-pandemic, the hybrid workforce is our new reality. Yet today's thinking about remote and hybrid work is full of failed use cases rather than best practices. Before we write off remote and hybrid work, let's do it right. In this engaging keynote, Keith will share eight myths about collaboration, inclusion, innovation, culture-building, people management, and well-being in the hybrid workplace and give participants the knowledge and strategies they need to do it better. [Video](#)

High-Performing Teams: Accelerate Collaboration through Co-Elevation®

Now more than ever, leaders need to build teams that are committed to going higher together. This is possible through Co-Elevation® - a powerful approach to collaboration for high-performing teams. You'll walk away with a roadmap for implementing Co-Elevation®

and an understanding of its power to break down silos, transform teams, and re-invent asynchronous collaboration. [Video](#)

Why Relationships are Crucial to Success

Let's face it: the future of work is human. Effective leaders understand that they can't achieve success on their own. In this keynote, you'll learn how to engender trust and develop genuine connections, how to motivate others to higher levels of performance, how to build an inclusive and high-performing team, and how to lead with passion and purpose.

Deeper Relationships for Revenue Growth

Sales professionals not only face the difficult reality of their products and services becoming commodities in today's competitive marketplace. Now, they have the added challenge of building relationships in a virtual environment. No matter the setting, the one lasting strategy for consistently growing revenue is to proactively build genuine relationships with clients. You'll leave inspired and enabled to expand and deepen your connections for greater revenue growth. [Video](#)

How to Lead Without Authority

As leaders, we can no longer cling to the constraining models of authority and control. In this keynote, you'll learn why "great businesses require radical interdependency" and how to employ that concept in your business, allowing you to connect to the people involved in it.

Leading Exponential Change

Organizations do not change, people do. Each and every one of us has the capacity to be agents of change. Every form of organizational transformation begins at the level of the individual, and Ferrazzi's keynote will ignite the fire within each member of the crowd to be the catalyst for change within their respective organizations, no matter their role.
