---

Carmine Gallo is a globally respected communications expert, keynote speaker, and bestselling author known for transforming how leaders communicate and inspire. As the author of Talk Like TED and The Presentation Secrets of Steve Jobs, Gallo has uncovered the secrets behind the world's most captivating communicators, from TED speakers to iconic business leaders. His books have become essential reads for anyone seeking to enhance their presentation skills and deliver messages that resonate.

With extensive experience coaching executives from Fortune 500 companies, Gallo has refined a unique approach to storytelling and public speaking, showing leaders how to motivate and persuade through clear, compelling communication. He is also a contributor to Forbes and Inc., where he shares his expertise on leadership, communication, and innovation. Gallo's keynote sessions engage audiences by breaking down the science of storytelling and offering practical tools to improve clarity, presence, and impact.

As a speaker, Gallo delivers actionable insights that empower professionals to present ideas confidently and connect with audiences on an emotional level. Known for his practical strategies and engaging delivery, he has become a trusted advisor to business leaders and professionals worldwide who aim to make an impact in their industry.
